August 21, 2008

To Whom It May Concern:

Slate McDorman was on Medical Leave with the Desoto Rescue Squad until July 2008 due to an illness. Mr. McDorman has been released back to duty with the Desoto Rescue Squad with some limitations placed on him by his physician. I am unable to disclose the nature of the illness and/or the nature of the limitations due to Federal HIPPA regulations. The Desoto Rescue Squad fully expects Mr. McDorman to become an active participant in the Desoto Rescue Squad, not only by responding to calls but also attending Squad meetings.

Regarding any events that occurred internal to the Desoto Rescue Squad involving Mr. McDorman, it is the Squad's position that this matter has been resolved in an equitable manner between the Desoto Rescue Squad, Mr. McDorman, and the Alabama Association of Rescue Squads.

Sincerely,

Gwen Stone
Captain
